

## National Annex: United Kingdom of Great Britain and Northern Ireland

### Partner: UK Research and Innovation – UKRI.

(UKRI Councils supporting this CRA are the Natural Environment Research Council (NERC), the Economic and Social Research Council (ESRC) and the Medical Research Council (MRC))

### Notice:

The UK will support basic and applied natural, social and health research and translation for use.

All applicants have to comply with the rules as described in the Call Text.

### Eligibility:

Standard [Research Council eligibility](#) applies to this call, using [NERC rules for PI and Co-I eligibility](#) i.e. individuals may only be named on two proposals to the call including one as PI.

Researchers from outside the UK are welcome to participate in projects as a Visiting Researcher or Project Partner, according to NERC guidelines in the [Research Grants Handbook](#).

### Funding modalities:

Funding for UK applicants totalling £3m (80% FEC) is provided through the Fund for International Collaboration, with a maximum of £500k (80% FEC) per proposal allowed. Funding must commence in January 2020 and finish by March 2024. NERC rules for eligible costs as set out in the [Research Grants Handbook](#) apply.
